Item Description	Part Number	Retail \$
Flow Sensor Assembly	882-01-000001-0	\$1,425.00
pH Probe Assembly	882-02-000002-0	\$1,425.00

Benefits

- Reduced application cost, saving expensive time and labor
- Adaptable to existing systems to avoid costly upgrades
- Precision application to maximize results while avoiding down time

Features

- Automatically control and display flow with a 4-20 mA input HANDHELD keypad
- Controls metering pump up 1000:1 turn down
- Handheld displays flow rate of the pump in GPH or LPH and can be mounted up to 1000 feet away
